Grant Supports Enrichment Program for Area Children

SCRANTON – The Ann Street School in Milford, recently got a boost from MetroAction’s Child Care MicroGrant program. A \$500 grant allowed the school to purchase new play equipment to enhance physical education as an essential part of care for the 50 children enrolled at the school. The MetroAction Childcare MicroGrant program awards ten MicroGrants each year to improve the quality of childcare in eight counties throughout northeastern Pennsylvania. Pictured at the grant presentation are, from left, Desiree Ranella, business development specialist, MetroAction; and Dianna Thatcher, director, The Ann Street School.
