Shadowbrook Receives Small Business Spotlight Award

SCRANTON – Shadowbrook Inn and Resort, located in Tunkhannock, was recently presented with MetroAction’s Small Business Spotlight Award for their rich history and commitment to improving the local community. Shadowbrook Inn and Resort was the first nine-hole golf course in Wyoming County and is still reinventing itself today. Each month, MetroAction presents the Small Business Spotlight award to a local business that is dedicated to giving back to their local community. Pictured at the award presentation are, from left, Kristen Lawson, Shadowbrook Inn and Resort; Joe Bencivenga, General Manager, Shadowbrook Inn and Resort; and Desiree Ranella, MetroAction/The Greater Scranton Chamber of Commerce.
