Grant Supports Enrichment Program for Area Children

SCRANTON – Stepping Stones Play and Learning Center in Gouldsboro, recently got a boost from MetroAction’s Child Care MicroGrant program. A \$500 grant will allow the center to increase parental involvement and focus on enrichment as an essential part of care for the 35 children enrolled at the center. The MetroAction Childcare MicroGrant program awards ten MicroGrants each year to improve the quality of childcare in eight counties throughout northeastern Pennsylvania. Pictured at the grant presentation are, from left, Kris Bossert, owner, Stepping Stones Play and Learning Center; and Desiree Ranella, business development specialist, MetroAction.
